To—The Deputy Commissioners, Treasury Department, of all Districts.

The Government of His Highness the Maharaja of Mysore having in their Order No. 329-30—Edn. 479-10-2, dated the 10th July 1912, authorised the Inspector-General of Education in Mysore to alter scales of establishment of Anglo-Vernacular Schools, Taluk Boys' and Girls' Schools and Village Elementary Schools, wherever it is necessary to do so in the interests of the Public Service, provided that no extra cost is involved and that the changes made by the Inspector-General should be communicated to the Comptroller in the form of a regular proposition statement so that he may issue necessary instructions to the Treasuries concerned, the Comptroller has the honor to state that in future no bills of the above schools in which alterations in the sanctioned scale increasing the cost of the establishment has appeared can be paid without instructions from this office. For this purpose the scale as shown in the bills of the schools for July 1912 cashed in August 1912 should be taken as the sanctioned scale.
